MEMORANDUM

To Harold Weisberg, LaFollette Committee

From Fred. G. Krivonos, Philadelphia

Subject Galley Proofs

Dear Harold:

Many thanks for continuing to send us the galley proofs of the Committee hearings.

However, I note that the proofs are still addressed to Wirin. Although we have heretofore opened them on the assumption that the envelope contained the galley proofs, it would be advisable, in order to avoid any possible embarrassment, to address the material to me. Many thanks.

Sincerely,

Fred. G. Krivonos
